VARSITY AND B TEAM FOOTBALL

The 1954 Tech Varsity football team was coached by H. A. Carlson, and the B-Team was coached by George Bereolos. The Varsity squad had a record of two wins and seven losses for the season. They scored victories over LaPorte, 13-6, and Thornton Fractional, 18-6. The B-Team had a record of three wins and one loss. The teams they beat were E.C. Roosevelt, 25-13; Hammond High., 12-0, and Hammond Clark, 12-0. Coach Carlson stated that he had hopes for next year's team.

FRESHMAN FOOTBALL

This year the Freshman Football team, coached by Mr. Hoemann, had a season's record of six wins over Gary Froebel, Irving, Clark, Crown Point, Hammond High, and Whiting. They lost only one game, and that was to Washington. They tied two games with Morton and Roosevelt.

The good record was the result of excellent team spirit, said Coach Hoemann.

VARSITY BASKETBALL

For the first time in nineteen years the Hammond Tech Varsity Basketball team was under the direction of a new mentor. Under Coach George Bereolos, they finished the 1954-55 season with five victories and 16 defeats.

Victories were scored over Morton, Whiting, Valparaiso, East Rockford (Illinois), and Hammond Clark.

"This year the team," said Coach Bereolos, "displayed courage, determination, and desire—symbolic of their nickname, 'Tigers'."

Coach Bereolos will lose five seniors: Borem, Boyda, Fehlberg, Millies, and Purkey. Returning from the tournament squad were: Day, Johnson, Moss, Rau, Urbanczyk, Warner, and Yeager.

B-TEAM BASKETBALL

The B-Team Basketball team, coached by Coach Dale Vieau, had a record of six wins and 14 losses. They scored victories over Valparaiso, 40-25; Crown Point, 41-39; Emerson, 37-35; Hammond High, 40-33; Froebel, 45-44; Tolleston, 34-24.

Three boys that started the season with the team were promoted to the Varsity squad for the tournament. The boys were Rau, Johnson, and Urbanczyk. This was primarily a sophomore team.

"Much is expected from this year's squad for future varsity competition," said Coach Dale Vieau.

FRESHMAN BASKETBALL

The Freshman Basketball team, coached by Mr. Carlson, had a record of 14 victories with only four defeats.

They also won the Munster Invitational Tourney held on Jan. 13 and 14 by defeating Morton, 36-33, and Irving, 47-31.

GOLF

The '54 Golf team, the most successful yet, won the Western Division Championship, placed fourth in the Sectional, and qualified for the State meet. They also won 14 matches and lost only two to Valparaiso and Mishawaka. They placed fourteenth in the State meet.

1954 lettermen were: Bob Boyda, Bill Boyda, Nick Burbich, Tony Lach, Richard Muehlman, and Ron Pirau. Mr. Carlson was the coach.

WRESTLING

This year, Coach Hoemann's wrestling team had a very good season, sending two men to the State championships. Jerry Reeves and Harry Colias were the eighth and ninth Indiana State champions from Tech since 1949. They were also the second and third champions to have perfect seasons.

"The team as a whole did well in some matches but lacked general team strength because of inexperience," said the coach. "Manuel Ramirez, former State champion, was very helpful during this past season, serving as assistant coach."

The total season's record was three wins and four losses. The team also placed second in Conference competition, second in the Sectional, and fifth in the State rating.

Jerry Reeves and Harry Colias won a total of fifteen matches.

CROSS COUNTRY

The Cross Country team, coached by Dale Vieau, did not have a too impressive record for 1954, "but it improved as the season progressed," said Coach, the record being one first place, three second places, and several other lower ratings.

As captain of the team, Eugene Mandzij, with the help of Ron Purkey and Steve Zyzanski, consistently voted as Tech's number one man.

"Next year, with Mandzij, Skish, and Day as returning lettermen, with the help of several good freshmen, we will probably have a better season," Coach Vieau concluded.

TENNIS

"The Tennis team had a perfect season as far as Western division play was concerned," said Coach Parson.

The team beat East Chicago Washington, East Chicago Roosevelt, Clark, and Hammond High twice, each with a score of 5-0. They also beat Thornton Fractional by 5-0.

The only loss Tech suffered was the 3-2 defeat in the East-West with Fort Wayne.

Dan Kennedy completed his high school tennis career without a defeat when he won his match at the East-West playoff.

BASEBALL TEAM

The baseball team under its new coach, Dale Vieau, started the '55 season with nine returning lettermen. They were Purkey, Baker, Brici, Chapin, W. DeRolf, Felhberg, Griffin and Woods.

From the way indoor conditioning and practice went Coach Vieau expected a bigger and better season in 1955 than in 1954.

TRACK

Coach Bereolos indicated he did not expect too much during 1954-55 but that he was building for the '56 season.

Jay Beckett was the coach's hope in the broad jump; Tribble, Predo, Golem, Dauksza, and Ramsey in the sprints; Hudak, Mandzij, Zlatařich, Granger, Skish, Papke, Alonso in middle distances, and Hussey, Gamble, Cosek, Zaluckyj in the hurdles.

FIVE POINTS

Dancing Develops; Donates Beauty and Grace

Expels Self-consciousness, Insures
Youth; Dance Often, It's
Good for You

Dancing, above all other exercise, is the best insurance of youth. In this modern, beauty age of ours it is no longer necessary to be told that we need exercise. It is as important to our good looks and well being as food is in building up muscle and tissue. In dancing, there is an exhilaration and joy felt in every movement and, with the exception of some of the eccentric numbers all dances are arranged with an as-

surance of grace and harmony.

The well-trained dancer is one whose every movement is done with ease and precision; there is a co-ordination between the mind and body in any dance step which gives one alertness and poise. Dancers may be temperamental, but as a rule, they are good humored and interesting. The girl who is a bit self-conscious or awkward in her movements, will find there is nothing to relieve her embarrassment like dancing. It works like magic in giving her a feeling that she is in tune with the world. She is

thrilled with the actual musical rhythmic motion, and is awakened to a new joy in self-expression.

The dancer attracts admiration in her walk. There is always a graceful rhythm to her well-trained muscles as she glides along with an easy swing. It would be so easy for every one to move with ease and grace, if one would just give the matter a little thought, and besides the beauty of movement, it is possible to conduct oneself in an intelligent, time-saving speed through the crowded centers.

You're saying goodbye to your high school days—but you're saying hello to new, exciting days ahead. Congratulations and welcome to the future!

In this future, Inland Steel's opportunities are yours . . . opportunities open to high school grads.

If you have some mechanical training or aptitude, there are careers open in many fields: as machinists, welders, electricians, patternmakers, pipefitters, boilermakers. There are careers to follow in metallurgy and chemistry. And there are opportunities in the office and clerical fields. The job of production—making the steel needed to keep America strong—offers a challenge to alert, young men.

You can have a "get-ahead" future through Inland's training opportunities. You can get apprentice or on-the-job training to become more skilled in your trade. You also can get college training

and a college certificate through the Purdue-Inland Training Program, a program where Inland sponsors you through this course at Purdue Extension.

Inland has been in the busy Calumet Region for more than a half-century. We'll be here in the future, too, because we're a basic industry, making a product used by everyone, including the housewife opening a can of peas and the G.I. firing an artillery shell.

Inland Steel Company serves the nation—and it can serve you, too, in the exciting days ahead.
